

# Summer School Supply Drive

State Representative Sara Feigenholtz is hosting a school supply drive through the end of summer to benefit local schools. Notebooks, markers, wide ruled notebook paper, glue sticks, and new or gently used books have been identified as some of the items most in need at local schools.

"Teachers are finding themselves digging deeper into their own pockets as school districts deal with budget cuts," Feigenholtz said. "Almost every single teacher in this country spends out-of-pocket for supplies and classroom materials, totaling, on average, \$400 a year. Parents are increasingly expected to pay for supplies and basic classroom materials. It adds up. It is important that we do what we can to support our

neighborhood's teachers and parents."

Donations may be delivered to Feigenholtz's constituent services office at 1051 West Belmont between 9:00 a.m. and 5:00 p.m. Monday through Friday, and may also be collected at her coffee shop visits, town hall meetings and other events through the summer months.
