

Rep. Feigenholtz offers satellite office hours

In an efforts to increase government accessibility for residents, state Rep. Sara Feigenholtz (12th District) is holding satellite office hours in the 43rd Ward. Feigenholtz's staff will be on hand at the satellite office hour sessions to assist residents with constituent services, legislative inquiries and other concerns. Appointments are not necessary.

The 43rd Ward satellite office hours are held on the second Tuesday of each month from 3 p.m. to 6 p.m. in 43rd Ward Alderman Michele Smith's Lincoln Park office, 2523 N. Halsted St.

"Residents who have never visited my office have used satellite office hours as a way to introduce themselves, ask questions about issues they care about or get one-on-one assistance connecting with a state agency," said Rep. Feigenholtz. "It has made it easier for residents to connect with our office when and where it's most convenient for them."
