Feigenholtz 'Coffee and Conversation' Friday

State Rep. Sara Feigenholtz [12th] is hosting a "Coffee and Conversation" session on Friday from 3:30 p.m. to 5:00 p.m. at Potash Market, located at 1525 N. Clark.

"Coffee and Conversation" sessions allow Rep. Feigenholtz to meet with residents in a one-on-one or small group setting to discuss community and legislative issues. "When I am home from Springfield, I like to spend my time in the community listening to residents' ideas for the state government," said Rep. Feigenholtz.

Top legislative issues include proposals to reform the state's public pension system and the state budget deficit.
