

Feigenholtz Asks Local Volunteers to Join Sierra Club Earth Day Cleanup

State Rep. Sara Feigenholtz (D-Chicago) invites residents to join her and the Chicago chapter of the Sierra Club for an Earth Day beach cleanup at Montrose Beach on Saturday, April 21st, from 9:00 a.m. to 12:00 p.m.

Feigenholtz will meet volunteers at the main entrance at Marine Drive and Montrose Avenue starting at 8:30 a.m. Volunteers will be picking up litter and debris. Supplies will be provided, but volunteers are encouraged to bring work gloves if they have them.

"This Earth Day cleanup ensures that Montrose Beach is clean and safe for the residents, families, and dogs that utilize the beach in the warmer seasons," said Feigenholtz. "I am excited to help the

Sierra Club and hope that many of my neighbors will join me. It's important for us all to help keep our neighborhood beautiful."

Interested volunteers can RSVP by calling Feigenholtz's constituent services office at 773-296-4141.
