“Coffee and Conversation” Listening Session, Tuesday, June 12 at Taverna 750

Chicago, IL — State Rep. Sara Feigenholtz (D-Chicago) and the Central Lakeview Merchants Association are hosting a joint "Coffee and Conversation" session on Tuesday, June 12 from 6:30 p.m. to 8:00 p.m. at [Taverna 750](#), located at 750 West Cornelia in Lakeview.

"Coffee and Conversation" meet-ups provide an informal environment for constituents to speak with Feigenholtz in a small group setting to discuss community and legislative issues, share opinions on legislation, or just to have a cup of coffee and chat. This will be Feigenholtz's first community listening session with residents following the legislature's adjournment on May 31.

Feigenholtz will be joined by representatives from the Central Lakeview Merchants Association (CLMA). CLMA is co-hosting this event and represents the local business community bounded by Diversey, Irving Park, Racine, and Halsted.
