[State Rep. Sara Feigenholtz](#) (D-Chicago) and [Ald. James Cappleman \(46th\)](#) are hosting a joint "Coffee and Conversation" constituent meet-up on Jan. 12 from 10 a.m. to noon.

The coffee will be held at Cappleman's 46th Ward Service Office located at 4544 North Broadway in Uptown.

Feigenholtz hosts monthly "Coffee and Conversation" sessions to meet with residents one-on-one to talk about legislative issues and concerns with state government. This is the first session co-hosted by Cappleman, whose 46th Ward encompasses all or part of East Lakeview, Buena Park, and Uptown.

"It is important that, as elected officials, we remain accessible and maintain an open and honest dialogue with local residents about the issues most important in our community," said Feigenholtz. "I am excited to partner with Alderman Cappleman and give residents the chance to make their voices heard on both the state and city level."
