March 31, 2013

State Rep. [Sara Feigenholtz](#) (D-Chicago) will be continuing monthly satellite office hours for 12th District residents at two ward locations this April.

Satellite office hours in the 46th Ward will be held on Tuesday, April 2nd from 2 to 5 p.m. in Ald. James Cappleman's Uptown office, located at 4544 N. Broadway.

Office hours in the 43rd Ward will be held on Tuesday, April 9th from 3 p.m. to 6 p.m. in Ald. Michele Smith's Lincoln Park office, located at 2523 N. Halsted.

Feigenholtz maintains monthly satellite office hours to increase resident accessibility with state services. District office staff will be on hand to answer questions and assist with state issues. Feigenholtz encourages district residents to stop by to share their views on legislative developments or request information on pending bills. Appointments are not necessary.

"Having more locations for constituents to access our office allows us to better connect with residents who may not live near our main district office," said Feigenholtz. "We want to remain active in the community and build relationships with our citizens. We hope these opportunities will allow for better access to resources and improve communication more broadly."
